**Questions and answers**

<b>No:</b>	<b>Question:</b>	<b>Answer:</b>
1.	In the specification of the chassis the colour of the cabin has not been defined, is the colour of the cabin the same as the superstructure RAL 5015 (Sky blue)?	Yes, the colour of the cab is the same as colour of superstructure, RAL 5015 (Sky blue).
2.	The high-pressure pump from the specification has the characteristics 160 bar and 120 l/min, given that a high-pressure winch of dimension ¾" and the hose length of 100 m is required, the requested pump has no pullback power of the whole hose length and for this a pump of pressure 120 bar and 160l/min flow is required.	Confirmed, item should read: Piston pump jet: Min. 120 bar at min. 160 l/min
3.	In the specification of the understructure the requested dimension of wheels is R22,5, given that for the 12T understructure the standard dimension is R17,5, the question is if during the dimension selection a mistake occurred?	Confirmed, three items should read as following: Front axle and tyres: 2 * 10 R min. 17,5 Rear axle and tyres: 4 * 10 R min. 17,5 Spare wheel and tyre: 1 * 10 R min. 17,5
4.	Should we enclose in our offer following documents: tax certificates and statement of court, SOL 1 (information on the financial position and business performance), SOL 2 (Proof of solvency)?	Tenderer should enclose in his offer inter alia, the following documents: <ol style="list-style-type: none"><li>1. Excerpt from the court register, as requested in Legal Entities Form</li><li>2. Annual financial data for the requested years which are based on annual accounts and Tenderer's latest projections as requested in Tender Form.</li></ol>
